INNERGIZE

EVERYONE, EVERYTIME, EVERYWHERE.

Unique in its shape and range of functions Innergize is a top of the range full body wellness solarium. The combination of ultra violet and infrared light is unparalleled for well-being. Innergize is the answer to your needs. Infrared light heats, relaxes and gives you a boost. UV light gives you an attractive colour and stimulates the production of vitamin D. Moreover, Innergize is a convincing product with a well thought out folding mechanism which means that it can be disassembled to a space-saving size in just three moves. Many features and a practical, stylish design are the proof: No Compromise. Innergize.

HE NEEDS HIS SPORT. HE NEEDS HIS RELAXATION TIME. AND HE NEVER COMPROMISES.

SHE LOVES HER JOB AND SUCCESS. STRESS DURING THE DAY, DESTRESS AFTERWARDS. SHE GETS THE BALANCE.

THEY KNOW WHAT THEY WANT.
TO STAY IN SHAPE, TO STAY
HEALTHY AND TO ENJOY TIME
TOGETHER.

QUALITY TIME, FRIENDS, FUN
AND FITNESS. EXPERIENCE,
REST, RELAX TOGETHER.

A LIGHTLY TANNED SKIN SUITS HIM AS WELL AS THE RIGHT RUNNING SHOE.

INNERGIZE – AS FLEXIBLE AS YOUR WELLNESS WISHES, AS VITALISING AND GENTLE AS YOUR BODY NEEDS.

Individual wellness enjoyment begins by choosing the perfect light for your needs. You have to decide whether you want to use infrared and ultra violet light combined or only infrared light for beneficial and effective heat. As an additional plus, the light can be used on both sides for the entire body or only on one side in a targeted way for individual parts of your body which also optimizes the energy consumption.

The vitalising infrared light boosts your blood circulation, relaxes muscles, removes stress and supports the regeneration process after physical exertion. Innergize infrared light has a pain-reducing effect on sensitive joints and vessels and strengthens the bone structure of the entire body.

The optional ultra violet light gives a delicate tan and a natural, fresh look. Well-balanced in its effect, it also supports your body's natural vitamin D production and which has a positive effect on the immune system. Innergize infrared and ultra violet light gives a positive physical feeling, noticeable vitality and overall well-being.

HIS JOINTS LOVE INFRARED LIGHT.
HER BLOOD CIRCULATION TOO.
